There's

Three Ponies and Carts To Be Given Away.

We owe Friday morning's early callers an apology, for we found the dear little ponies needed shoeing, and we couldn't get them around until late. They will be in front of our store this morning, and all the little boys and girls are invited to call and see them. We propose to give all three of these ponies away-one each month for the next three months.

The boy or girl under sixteen years of age who influences the largest amount of trade for us from now until October 31 will be given the first little pony and cart on November 1.

The second and third little pony and cart will be given away December 1 and January 1, under the same conditions.

Notwithstanding these gifts we shall continue to sell clothing for less than it can be bought elsewhere.

fairly good.

The fluish in the third race was a red-hot one, Remaissance—of Minnie 8, passing under the wire with only a short head sepaget the money, but it was only owing to the strong finish that Brown made on her. ALWAYS AFTER MONEY.

Brown is one of the best boys at the outlaw tracks, and, as he is always after the money, is a good one to follow. He has not been riding much of late, but will that Murphy and Ham are gone.

The handicappers selected Jimmle James quite good enough. He looked like a win-ner at the head of the stretch, but Dr. Reed had him tip toeing clear through the stretch and won by an open length The closing race went to Harry Keister, who was so well fancied that he closed at 3 to 5. Eonda was the second choice, but was miserably ridden by a boy from the West named J. Hail, and fmished in the ruck.

(Special to The Times.)

Philadelphia, Sept. 20.—The English crick deers, who deplored the lack of batting in 3 yesterday's game, should have been out this afternoon, when the Phillies vindicated their reputation as the beaviest hitters in the league.

It was the freest exhibition of batting seen here this season, with the exception of Cross, whose usual luck still fellows him. All hands contributed to the total.

Gilroy pitched the first seven innings for the Senators, during which he was found for seven singles. Despite the hard and frequent hitting the Senators made no sign of a fielding break.

Orth pitched in excellent form for the Phillies, being hit successfully in but one inning-the sixth-when, the visitors earned three runs on two doubles and as many

singles. SOME BRILLIANT PLAYING. The game was punctuated by brilliant bits of fielding, Delchanty and Madison carrying off the honors for the Phillies and Selbach and DeMountville for the visitors.

Selbach and be Mountvile for the visitors.

The Phillies made one in the first. Turner singled to left and went to third on Delehanty's drive to right, scering on Cross' out, De Mountville to Cartwright.

Thompson died at first. Sallivan was hit by a pitched ball and in attempting to go to third on Grady's single to right was thrown but by Abbey.

Delehanty was so interested in the last play that he omited to touch the home plate play that he omited to touch the home plate intil after Shilivan had been retired and thereby missed the chance to score

with two out in the third. Thempson hit safely to right and Sullivan was sent to first on balls. Thompson came in on Grady's single to center and Sullivan

Turned Pittsburg Down to the Tune Turned Pittsburg Down to the Tune of Six to Three.

Cleveland, Ohio, Sept. 20.—Cleveland played a good game in the field to-day and a good game at the bat, though the players did not hit hard.

They sacrificed when necessary. Hawley, of the Pittsburgs, gave five bases on bails, and the men behind him made errors at inopportune times. That accounts for the following score:

ALL PHILADELPHIAS LEAD.

Second Day of the Cricket Matches Leaves the Englishmen Behind. Philadelphia, Sept. 21,—The second of the international cricket matches between

Philadelphia, Sept. 21.—The second of the international cricket matches between the visiting Oxford-Cambridge eleven and Philadelphia cricketers began this morning at Manheim, the grounds of the Germantown Cricket Club.

The Englishmen are still smarting under the severe drubbing administered to them last week by the University of Pennsylvania, and they are determined to pat forth their best efforts to win the present match.

The team they met to-day was an all-Philadelphia eleven made up of the strongest batsmen and bowlers the Quaker City can loast of. The Englishmen have strengthened their team by the addition to their batting strength of Druce, the Cambridge crack, who was sick last week and was unable to play against Pennsylvania.

The crease this morning came near being as perfect as possible for the batsmen, eycepting that it was a trifle hard. The Philadelphia cricketers went to the bat first, and before they were retired they had put together 234 runs. The Englishmen toflowed, and when play was stopped for the day they had lost two wickets for 80 runs.

PLAYED BALL FOR A MONUMENT. To Be Erected Over Benjamin Myers'

To Be Erected Over Benjamin Myers'
Grave.

The game played yesterday afternoon between the Radfords and the Pioneers was for the benefit of Benjamin T. Myers, a member of the latter club, who was fatally injured in one of the recent games. Myers was a popular member of the chab and had a best of tricads, who sugersted a benefit in aid of a monument fund. This being considered the most appropriate manner in which his comrades and friends could express their sentiments of regret at his untimely death. The occasion drew a fairly good sized audience who were well repaid by as clever an exhibition of smateur ball playing as has been seen at National Park this season. The game was called promptly at 4 o'clock by Mr. John Matarky, of the Washington Club, who kindly consented to officiate as umpire, and resulted in a victory for the Pioneers by a score of 18 to 10.
